

Hands On Science Labs

Grades K-8

“Tell me and I forget. Teach me and I remember. Involve me and I learn.” - Benjamin Franklin

At Circle’s new Hands On Science Labs, students will travel through activity and lesson stations during their lab day. Each lab day is a stand alone opportunity – students may attend one or all of the lab days spread throughout the year. At the conclusion of each lab, students will take home their Hands On Science Lab Journals to show parents what they did and to spark further observations and discussions. Hands On Science Labs are recommended for students K–8th grade. Each lab day begins at 9:00am and ends at 2:30pm. Students will need to bring a sack lunch and a beverage.

Join us for our debuting year as we learn more about the “Days of Creation” hands on style!
